

N. R. KNIGHT PASSES AWAY

Retired From Active Business Career
Prominent Man Dies At His Schellville Home.

N. R. Knight who was prominently identified with many big California business interests some thirty years ago and was widely known throughout the state prior to his retirement from active business three years ago, passed away at his Schellville home last Sunday night at the age of 70 years. Mr. Knight was a native of Providence, Rhode Island and was a grandson of a former Governor of that state. He came from a long line of soldiers and statesmen, some member serving in every war since the days of the Revolution. Having acquired a fine education in the East and married there, he came to California and engaged in business many years ago. Particularly successful was he in the wool business with B. P. Flint of the Occidental Wool House, and later was prominent in the Chrome industry of the state being practically in control of the California output for some time when prices were exceptional.

Mr. Knight made and lost more than one fortune and prior to settling in Sonoma owned a handsome home in Alameda county. He was identified with several clubs and in early days was the captain of the Columbia Rowing Club of Oakland. A man of discriminating taste, he was a connoisseur and enjoyed many of the best things of life during his affluent days. He was a splendid host and although not promiscuous in his friendships, he was a friend indeed to those he liked. Well read and conversant upon all topics, a lover of good books and the best music he was ever surrounded by a congenial coterie.

Of late years Mr. Knight had been connected with the Federal Sugar Company of Youkers, New York and with the Universal Gas and Electric Co. of San Francisco. He had much experience in the sugar business at one time having spent several months in the Hawaiian Islands where he was connected with the industry there.

Mr. Knight first settled in Sonoma valley about 25 years ago and returned to make San Francisco his home after a residence here of some time. Three years ago his health began to fail and he decided to retire from business in the busy metropolis and spend his declining years in the "Valley of the Moon." At Schellville in the pretty bungalow adjoining the

The St. Francis Catholic church will have two masses, the first at 8 o'clock and high mass at 10:30 a. m. At Glen Ellen, Easter services will be observed at 9:00 a. m.

The Methodist church will have beautiful services with appropriate music, a program by the children and a fine sermon by Rev. Henry Waltz at 11 a. m. In the evening the Masonic and Odd Fellows Lodges will attend in a body.

At the Congregational church there will be the customary artistic decorations, special music by the choir and an eloquent sermon by Rev. I. Cookman. The ladies of the Eastern Star and Verdant Degree Rebekahs have been invited to the evening service.

Mrs. Goebble of Eldridge spent one day this week with her only daughter Mrs. Al Dutil. Mrs. Goebble is an employee at the State Home.

Lester and Esther Hawkins and their married sister Mrs. Gustafson, motored up to El Verano from Oakland last week end.

Miss Marion Stone, a school teacher of Berkeley has been visiting her cousin, Miss Florence Murphy.

Mrs. Joe Keiser, Mrs. Alma Koeboom and Mrs. Joe Revie and daughters were shopping in Santa Rosa Monday.

property of their son, Howard, Mr. Knight and his wife who was formerly Julia Pennell of an old New England family have resided since returning to Sonoma.

A few weeks ago Mr. Knight's health failed rapidly and he gradually grew weaker until last week when he took to his bed. Death came peacefully as sleep and on Sunday night he passed to the Great Beyond. Besides a devoted wife, and one daughter Miss Bessie Knight, three sons, Harry, Jack and Howard Knight are left to mourn deceased.

The funeral was held in Oakland on Tuesday with interment at Mt. View Cemetery.

Big Sonoma Wine Interests Will Go to Mexico

LOUIS KUNDE TO FIND OUTLET FOR VALUABLE COOPERAGE AND MACHINERY ACROSS BORDER WHERE HE WILL ACQUIRE PLANT AND ENGAGE IN BUSINESS IF "DRYS" WIN.

One of the most important and portentous moves on the part of Sonoma valley wine makers and vineyardists threatened with the destruction and confiscation of their business interests through the passage of recent "dry" legislation is that made by Louis Kunde of Kenwood who will transfer his big industrial enterprise from Sonoma valley to Mexico as soon as the prohibition laws go into effect. Thousands of dollars worth of cooperage and machinery and the pay roll that has gone with this big wine plant at Wildwood vineyards will be taken out of California in order that the investment and business of this successful producer may be protected from the vandalism inflicted by sumptuary legislation.

Mr. Kunde and a prominent San Franciscan have been negotiating for some time for a big vineyard and winery about 20 miles below Tia Juana, the owner of which has been at the St. Francis hotel conferring

with the Sonoma wineman and his partner. Mr. Kunde was to have left this week for the South.

He will lease his Wildwood ranch to his two sons who will continue to keep up the fine vineyard to a high state of cultivation and will ship the famous Wildwood grapes to their father's plant in the new land of opportunity.

It is over Kunde's famous wines that a suit is now pending but as every lawyer in Santa Rosa is said to have refused the case of the S. F. firm who is seeking to compel Kunde to pay damages for non delivery of 45,000 gallons at 60c, it gives the Kenwood man but little concern as there was no contract and the would be purchasers failed to keep their appointment. It is further pointed out that as no effort was made to stop shipment of the wine to the East after its purchase by Sam Sebastiani, that the plaintiffs, the Piedmont Wine Co. acknowledged the weakness of their later claim for damages from Mr. Kunde.

KEEP THESE DATES IN MIND

Bond Elections State and County Will Mean Much to Every Resident of Sonoma Valley.

The dates of the coming bond elections both of which mean every thing to Sonoma valley's future have been announced as follows: County Bond Election, May 24th.; State Bond Election, August 26th.

The county bond election means the building of two pieces of permanent highway in this valley. One will connect Sonoma and Petaluma and the other piece of road to be built will connect us up with the State Highway at Lowells corner on the Napa road, the route varying slightly from the original Lynch report. Of the latter improvement the following announcement is made:

County Surveyor R. Press Smith has finally made a slight change in alignment of the projected improvement between Sonoma and the state highway, costing exactly the same as the other road. The new route begins at a point on Broadway, six miles south of the southerly limits of the city of Sonoma, thence easterly over the present road, via Vineburg, to the state highway at Lowells ranch, a distance of 4.3 miles. For 1.8 miles this construction will be concrete and Class B construction for 2.5 miles, costing \$44,000, the same as under the old alignment.

The state highway election will mean the building of the concrete highway between Sonoma and Santa Rosa. Interest all your friends and neighbors in these elections. Keep the dates before them.

John Steckmeyer has been over from Howell mountain visiting his family at El Verano.

DEATH COMES TO T. J. MCGIMSEY

Esteemed Citizen Passes Away And Is Mourned By A Large Family.

After a critical illness of some weeks, T. J. McGimsey, for many years in charge of the bonded warehouse, first here in Sonoma and later at Santa Rosa and Petaluma, died at the family home Monday evening. He was a highly esteemed citizen and leaves beside a large circle of friends, a large family of children to mourn the passing of a kind and honored parent.

Mr. McGimsey was a pioneer of our Golden State, having come here from his native state, Missouri, in the early fifties. He was then a mere boy, having been born in Mercer Co., Missouri, in 1845 and crossing the plains with his parents in 1850. All the hardships of early pioneer days and the dangers common to immigrants, was endured by the party, which in 1852 arrived within the borders of California. The McGimseys settled in the Napa valley and later moved to Mendocino county where deceased spent his boyhood days.

In 1868 Mr. McGimsey was united in marriage to Margaret Virginia Nunn, who preceded him to the Great Beyond some four years ago but left to comfort him, their nine children, with three of whom, his unmarried daughters, he made his home up to the time of his death. The children are Mrs. D. E. Hotelle, Mrs. H. B. Shaw, Mrs. J. E. Clement, Mrs. Stuart Rich, L. B. McGimsey, J. M. McGimsey, Grace, Mattie and Alta McGimsey.

The McGimsey family moved to Sonoma in 1896. Mr. McGimsey was connected with the Internal Revenue Service and was bonded warehouse keeper here for many years and also in charge of other bonded warehouses of the district, making his headquarters at Santa Rosa for some time.

He was a conscientious public servant, a sterling citizen and a splendid family man.

The funeral took place from the family residence yesterday and many and beautiful were the floral tributes and the words of regret expressed at the passing to rest of this much respected pioneer. Interment was at Mountain Cemetery.

The Masonic Order conducted the services at the cemetery, the pall bearers being Geo. Breitenbach, Granville Harris, A. M. Thomson, Geo. Cassidy, James Tate and Sam Lewis.

FAMOUS LECTURERS COMING TO SONOMA

Through the efforts of Mr. Golton the following men are to lecture in Sonoma. Mr. Lander Stevens will give a reading from Hamlet, one week from Wednesday, and Congressman Clarence Lea will also speak during that week. In May Lieutenant Colonel David P. Barrows Dean of University of California will give a talk his subject being Siberia. On May 1st Dr. Frederick Monsen will treat the students and public to a lecture on War and Reconstruction.

The success of these lectures will depend to a large extent on the High School students, as they have taken the selling of the tickets into their hands. The ticket selling is under direction of Don Cameron who is offering a prize to the class which brings in the best returns. It is planned to hold the lectures in the Grammar School auditorium.

FINAL DECREE GRANTED

The final decree in the divorce suit of Minta F. Osborn vs. William H. Osborn was entered in Judge Denny's court yesterday and the custody of Leavitt Charles Osborn, a minor, awarded to the mother. Her property was declared to be separate property. The interlocutory decree was granted March 13, 1918.

The Lewis-Oliver families returned to Alameda county Sunday and Mrs. L. C. Lewis was much improved after her acute heart attack which necessitated the calling of Dr. Gobar to her El Verano country home one night last week. Mrs. Lewis is a pioneer daughter of the Sonoma valley and her many friends will be glad to hear of her speedy recovery.

SEBASTIANI SEWER TO BE CONSTRUCTED BY CITY AT ONCE

Work on the new sewer to connect up the Sebastiani Cannery and that portion of the city with the present main on Napa Street is to begin at once and is to be done under the direction of H. P. Dwyer who is civil engineer and surveyor on the job. The work will be day work, a contract being let for the furnishing of material.

While the exact cost of the new sewer can not yet be determined, it is approximated at something like \$3,000. It is a very necessary improvement and the cost will be met by the city out of the general fund of the municipal treasury.

Mrs. P. W. Angove has received a wire from her son, George, now in New York from overseas. He expects to be home soon.

Sonoma, California, April 19, 1919.

EASTER SUNDAY, tomorrow, is contemplated with a great deal more joy than last year for the great, grim war has ceased in the interim and despite dark spectres of social unrest in the world today, we are confident that right will triumph and peace with all its attendant blessings will be bestowed upon the universe once more. May Easter morn herald the coming of the great peace at no far distant date.

The Passing of Phoebe Hearst

THERE CAN BE NO alumni of the University of California but must feel the great loss their Alma Mater has suffered in the loss of that splendid friend, the late lamented Mrs. Phoebe Hearst. She was the fairy god-mother of the big college in the transformations she wrought there, though far too real and substantial to be so designated. Her gracious, stately presence at the formal functions gave to them the human touch so much needed when we would vitalize university affairs. Real interest in the Student body and in the welfare of Berkeley's great educational institution by a woman such as Mrs. Hearst, could not but enrich it permanently. Her death is mourned throughout the State and everywhere that her kindly personality or acts of magnificent generosity were known for true worth.

Repeal The Law, Says Chronicle

"THE CONSTITUTIONAL AMENDMENT for abolishing the use of intoxicants does not take effect until early next year. There is, however, a law enacted by Congress, equally drastic, to take effect on July 1, next, but to expire by limitation on the conclusion of peace, which the courts would probably hold to date from the President's proclamation.

The constitutional date is sufficient, and should prevail. That is not more than sufficient time for the enormous interests involved to adjust them selves to the change. Few realize how great the number of men the change will throw out of employment or the extent of the bitterness which will result.

There is no appropriation for the enforcement of the law, and a very large force, indeed, will be required for its enforcement. We should be able to assume that the law will never take effect by reason of the proclamation of peace. It is not possible, however, to make any assumption of that kind. And yet the law, doubtless unconstitutional except as a war measure, might go into effect, causing great expense and loss of revenue and yet be repealed in a month by the conclusion of peace.

Obviously any such situation is absurd. The country cannot afford the expense and loss of revenue, and that large portion of our population which has lived by this traffic should have until next year to readjust themselves. When Congress meets it should repeal this law." —Chronicle

Why Are They Getting Out?

THE AMERICAN BANKERS ASSOCIATION is blaming Bolshevism for the leaving of the United States of some six million aliens with over four billion dollars. The startling announcement is made and we suggest that perhaps prohibition has something to do with the exodus. The denial of personal liberty and the general upheaval which will come about after July 1st or later is being anticipated by the thrifty foreigner who does not intend that his property or job shall be confiscated, together with his much prized personal liberty after arbitrary legislation descends upon the United States of America. Says a recent press dispatch:

Aliens Leaving U. S. With Four Billions.

"NEW YORK, Apr. 12.—(By Universal Service)—Bolshevik propaganda will be responsible for the exodus from this country of six million aliens, who will carry with them approximately \$4,000,000,000 unless prompt measures are taken to counteract the propaganda, according to the savings bank section of the American Bankers' Association. A letter sent to banking institutions in New York and New England today describes the condition reads as follows in part: Due to Bolshevik propaganda, an alarming proportion of the 14,000,000 foreign born aliens are drawing their money from the banks, selling their Liberty Bonds and houses and returning to Europe. The New York Customs House authorities announce that that those now sailing from this port carry with them from \$2,000 to \$15,000 each in United States currency. It is estimated that over 1,300,000 cannot be stopped from going and that they will carry with them nearly \$4,000,000,000 or an amount four-fifths that of the total currency in circulation in the United States before the war. It is estimated that unless vigorous action is taken over six million of these aliens may be lured abroad by this vicious propaganda, taking with them an amount of cash equal to the present currency resources of the United States. This is very serious. In the meantime no effort should be spared to increase deposits by American citizens in order immediately to replace the presumed loss in deposits which will occur through the sailings of aliens already committed to go and who cannot be persuaded to remain."

WITH A REAL SOLDIER as engineer on the job, the State Highway work in Sonoma County ought now to get somewhere. The soldiering on the job heretofore has not been the right kind.

Truly a Wonderful Product

ROYAL BAKING POWDER is really a remarkable product.

The origin of ROYAL begins with the grapes on the vine. Their purity comes to you unsullied.

The leavening power of ROYAL is balanced to the exactness of an atom, never varying in the slightest degree.

The wholesomeness of ROYAL is recognized and acclaimed by the noted physicians and diet experts of the world.

The economy of ROYAL is in the prevention of waste in keeping baked foods fresh longer and making home baking so satisfying that it takes the place of more expensive foods. It surely pays to use

MRS. JAMES BAINES OF EL VERANO ENTERTAINS

Thursday afternoon was the date of a very pleasant afternoon given at the home of Mrs. James Baines of Elverano in honor of her daughter, Mrs. Irene Block. The rooms were decorated very prettily in green and gold, poppies predominating. During the day a Social Afternoon Club was formed at which Mrs. Mae Norrbom presided.

Mrs. Steckmeyer favored the party with instrumental solos. Mrs. Irene Block composed a song in honor of the club which she sang and was much applauded. Refreshments were served and all voted it a splendid time. Those present were Mrs. Steckmeyer, Mrs. Pickens, Mrs. T. H. Baines, Mrs. Chas. Baines, Mrs. A. Boulter, Mrs. H. Norrbom, Mrs. P. Norrbom, Mrs. Ferd Norrbom, Mrs. P. W. Paulsen, Mrs. Irene Block and Mrs. James Baines.

WORK STARTS ON NEW DRYER FOR FRUIT

The new fruit dryer and evaporating plant which is to be another new industry is being put up by J. Chelini and partner on First St. West, this side of the Weber place. Work started this week and construction lumber and trays are on the ground. The latest process for drying and evaporating fruit is to be followed and the dryer will be equipped with a modern steam boiler.

The new plant will give employment to quite a number of people and will be in the market for fruit throughout the season.

Mr. Chelini formally applied to the City Trustees for a permit to erect the frame structure which will house the dryer but as the location is outside the fire limits, it was not necessary for the Board to pass upon it.

SUNDAY BIG DAY AT BOYES SPRINGS

Boyes Springs reports a big crowd at the popular resort last Sunday, the baths being thronged with bathers and the hotel a popular mecca.

With the roads carpeted on either side with green and the valley and foothills embroidered in the most gorgeous of wild flowers, this is the loveliest time of the year in Sonoma Valley and should lure hundreds of motorists and vacationers here within the next few weeks.

The new addition to the baths at Boyes was in use Sunday and when the entire establishment is thrown open to the public as it will be in the busy days now due, Boyes will have the largest mineral baths in the United States. Messrs Klein and Liechtenberg wore a smile last Sunday as they watched the crowds during the day, and they predict a big and successful season.

Mr. and Mrs. Tomasi of the Petaluma road have been ill with severe colds and are under the care of Dr. Hays.

SHOT THROUGH THE HAND

On Saturday last through the accidental discharge of a gun which fell from its resting place against a post, Howard Cliff, son of well known El Verano residents, suffered severe injury to his hand which was mutilated in the fleshy part of the member by the charge of shot. He was brought to town for medical attention and the wound while painful, is not considered dangerous.

Mr. and Mrs. Wm. Sherwood of Fruitvale (nee Mina Colton Rowe) were up the fore part of the week on a visit to the Adler home. Mrs. Sherwood who is the daughter of Mrs. Wm. Russell, now of Michigan, was divorced from her first husband. Mr. Rowe, and recently married Sherwood, a prosperous business man of Alameda county.

Miss Ruth McDonald and little niece have been visiting at the Granville Harris home.

ENTERTAINS NEIGHBORS ON BIRTHDAY

Mrs. P. Angove delightfully entertained a number of her lady friends and neighbors on Tuesday in honor of her birthday. The afternoon terminated around the tea table where dainty flowers and Easter favors were a pretty setting for the big birthday cake with gleaming candles and a delicious repast of salad, sandwiches, assorted cakes and coffee.

Many and sincere were the good wishes bestowed upon the hostess whose splendid work for the Red Cross and other activities during the absence of her only son in France has won for her the admiration of a large circle of friends. Among those present Tuesday were: Mesdames Palmer, Hatton, Little, Stockwell, Baines and Kennell.

A NICE BOOST NEIGHBOR, THANKS!

A real boom is reported to have struck the historic town of Sonoma, and things seem to be going ahead there with leaps and bounds. The new grammar school building which was recently built is crowded and the extra room provided for the unforeseen, is to be requisitioned and a new teacher added to the already large corps. The merchants report business as on the increase and the post office has grown so rapidly that the city is to have a city mail carrier if this thing keeps up. Our neighbor of the "Valley of the Moon" will certainly be entitled to put on metropolitan airs indeed.
